Bulb to Brain

Today

- History and background of Bulb to Brain
- The scale of Alzheimer's Disease
- Our methodology and unique proposition
- Our Investment proposition

Bulb to Brain

Alzheimer's Disease

A dreadful disease

- 50 Million suffering presently
- 6 Million in the US
- 16 Million by 2050
- In 2010 the global cost was around \$500 Billion

But there is some good news

- Galantamine suppresses Alzheimer's
- Gives a few more extra years of normality
- Stops the breakdown of Acetylcholine

Bulb to Brain

How is Galantamine Produced?

Traditional Method

- Enhanced possesses used
- Difficult but we have achieved this

Chemical Syntheses

- Very Expensive
- Not quite perfect

Barriers to Entry

- Initial supply of Charlton Daffodil Bulb
- Historical Issues

Bulb to Brain

Investment proposition

- Currently hold 800 Tonnes of Bulbs
- Backed by TFE Ltd
- \$1.5 Million Invested

Bulb to Brain
