# Numismatic Disadvantages

- **3-5 years to Appreciate:**
  - We suggest you hold your coins for 3-5 years to give them a chance to appreciate
- **When you want to liquidate DO NOT take them to a coin dealer:**
  - Dealers want to buy inventory for the lowest price possible to be able to resale for profit
  - When you are ready to liquidate your portfolio the best way is through an auction
    - You have the dealer there, the investor there, the collectors there*
    - You'll realize your greatest profits at an auction*

***If you are looking to liquidate, for whatever reason, please contact us.***

***We can help walk you through the process and advise on how to proceed***
